## Product Specifications

### Directions

AMAIZE™ is a high potency performance supplement not a complete feed. Feed once a day, mixed with a good quality dog food, as the sole source of supplemental nutrition. While feeding AMAIZE™, don't feed any other supplements e.g., vitamin mineral tablets, coat conditioners etc.

From the following table determine the amount to be fed each day. Select the level of supplementation for your dog's weight and age then read the number of 1 ounce (15 gram) measuring cups to be fed per day under your dog's weight. Do not exceed dosage levels unless directed by your Veterinarian.
